Subject: Meeting with Satellite operators

Dear all,

FYI. This afternoon we had a meeting with **ESOA** (European Satellite Operators Association) regarding the status of the satellite/telecoms aspects of the current negotiations, including TTIP [Out of scope]

[Out of scope] An executive of **SES** was present at the meeting and other executives from **Telespazio**, **Airbus**, **Inmarsat**, **Hispasat**, **Eutelsat** and **O3B** were connected via conference call. Companies were encouraged to contact COM regarding specific issues they may be facing.

Best regards,
