² Please note that as regards documents listed under points 10-33, the Directorate-General for Agriculture and Rural Development applied a broad interpretation of the request, therefore identifying, for each member concerned, a complete set of application documents submitted to the European Commission, including also the ‘Standard declaration of interests (DOI) form for individuals applying to be appointed as members of expert groups or sub-groups in a personal capacity’, featuring as Annex IV to the call for application for the selection of the members of the expert group E02522 and as Annex II to such a call related to the expert group E03579. While in some cases a narrower interpretation is not possible due to the fact that Annex IV or Annex II forms an integral part of a consolidated version of larger documentation submitted by candidates (points 11, 13, 15, 16, 18, 19, 21, 24, 25, 27, 29, 31 and 32 above), with respect to the remaining items, their scope is hereby reduced – as per your request – to the sole standalone document constituting the actual Annex IV or Annex II, as filled in and separately enclosed by the candidates. Consequently, certain parts of the documents listed under points 11, 13, 15, 16, 18, 19, 21, 24, 25, 27, 29, 31 and 32, namely any component of the application documentation other than Annex IV or Annex II, are considered to be out of scope of your application.
