Subject: Your request for access to documents under Regulation (EC) No 1049/2001 – reference GestDem No 2012/4873 – complementary reply

Dear Mr Wesselius,

Following our reply of 15 November and in the course of further searches, we have retrieved documents related to the revision of the Tobacco Products Directive 2001/37/EC and to contacts between the Secretariat-General, mainly the secretariat of the Impact Assessment Board, and private sector companies and lobby groups.

We have identified 19 documents that would also fall within the scope of your request. Having analysed these documents, we concluded that they can all be disclosed.

You will find attached a list of the documents which have been identified and copies of all documents.

For the sake of completeness, we should add that a Director within the Secretariat-General had two meetings with representatives of Swedish Match on 16 March 2011 and on 6 March 2012. As these meetings were merely courtesy calls, there are no written documents concerning them.

Yours sincerely,

Hubert Szałasewski
Director
