Subject: RE: request for a meeting

Dear Ms Pederiva,

Apologies for the late mail. All CECCM members sent the requested information that - whilst not being comprehensive/ideal in all aspects - still can be considered to provide a reasonable overview over the activities of the companies regarding e-cigarettes (many thanks). However PMI - despite a further reminder - did not provide the requested information. In this light I regret that the meeting scheduled for tomorrow needs to be postponed.

Kind regards

Dominik Schnichels

Dear Ms Pederiva,

In the above mentioned matter I have received written submissions from all companies regarding electronic cigarettes (which we appreciated), however the submissions were deficient (to a varying degree) and ultimately inadequate. I have invited the companies to provide the requested information until today (5/11) cob. In case the information is not received the meeting will – as previously indicated – need to be postponed. I regret this development, but I think it is clear since quite

some time that the requested information is important to us and a precondition for a useful meeting.

Kind regards

Dominik Schnichels

Dear Ms Pederiva, Dear Mr [REDACTED]

I would also like to recall that we are still waiting for the one page summary to be sent by each company separately (to ensure confidentiality) about current and envisaged (next five years) activities regarding electronic cigarettes. This information should be received until Friday, 1/11. If we do not receive the information, we will postpone the meeting until the information is received from all companies concerned.

In order to facilitate the tasks for the companies I recommend to cover the following issues: current brands on the market, envisaged product launches, nicotine content per brand/product (if too many introduce categories), pending or envisaged marketing authorisations (under pharmaceutical legislation), use of tobacco brand names for electronic cigarettes, the safety and quality standards to be applied and the use of flavours.

We are looking forward to meeting you.

Kind regards

Dominik Schnichels

Dear Ms Pederiva,

Many thanks for your mail and the clarifications regarding participation.

Obviously we understand that CECCM represents the interests of the large tobacco manufacturers (excluding PMI). Still I would ask that your members send us – before the meeting – a one page summary of their current and future activities for the e-cigarettes market. Also we will invite the companies represented in the meeting to comment on the two legislative options that are currently on the table. As suggested by you, please fix the details of the meeting with my PAs

Kind regards

Dear Dr. Schnichels,

Thank you for your e-mail dated 23.10.13.

I would like to confirm that it would be a joint CECCM PMI meeting. We thank you for the opportunity to comment on the minutes before they are published.

We note that you would like to add Article 18 to the agenda and we are happy to listen to the Commission's views on this topic and to make comments of a general nature. I hope that you appreciate that e-cigarettes are not in the scope of CECCM (which is exclusively a tobacco association) and therefore we will not be able to address this in detail at the meeting. Individual companies may get in touch with you separately to provide their comments or share their activities in the e-cigarette market.

As suggested, we will revert to your secretariat early next week on the date (5 or 6 of November?) and the proposal for our delegation.

We hope this is acceptable to you and we look forward to the meeting.

Yours sincerely,

CECCM & PMI

Subject: RE: request for a meeting

Dear Ms Pederiva,

Thanks for your mail.

Do I understand you correctly that you are asking for a joint meeting CECCM and PMI. If yes, fine. If not, I would kindly ask for a declaration from PMI that do not wish to meet.

Please note that we intend - like last time - to publish minutes of the meeting on the internet. I trust that this is acceptable to you. Obviously you are given an opportunity to comment prior to publication.

An area that we would like to add to the agenda is Art. 18 (nicotine containing products). In preparation of the meeting we ask the members of CECCM as well as PMI to send us separately (to ensure confidentiality) a one page summary of your current activities regarding electronic cigarettes as well as your intentions/plans for the next five years.

Due to the upcoming school holidays a meeting can only take place as of 4/11. Please arrange the details with my assistants in copy.

Kind regards

Dominik Schnichels

Dear Mr Schnichels,

Further to our earlier exchange of mails, we would like to request a meeting with you to discuss the recently adopted EP amendments on Articles 6 and 14 on the Revision of the Tobacco Products Directive.

Please note that this request is coordinated with PMI and that [REDACTED] is copied in on this mail.

I thank you in advance for considering our request
