Dear Commissioner Gabriel,

Please find attached an invitation to be our guest speaker at the Annual New Year reception organised by ACEA, the European Automotive Industry Association, **on January 31 at the Bibliothèque SOLVAY in Brussels at 7pm.**

We realize this invitation comes quite late for which we offer our sincere apologies. We had invited Vice President ANSIP first who unfortunately is not available : we sincerely hope you could join us as being directly responsible for the digital economy of which the automotive industry is becoming increasingly an important part. This is well illustrated by the leadership role ACEA is also playing in the European Automotive & Telecom Alliance which I am chairing .

Hoping that you will be available to accept this invitation .

With our sincere wishes for a successful and rewarding new year !

Sincerely Yours,
