**Subject:** [EXTERNAL] Invitation to opening plenary of the Pioneers of Change Summit

[REDACTED]

I am reaching out as we would like to invite President Lagarde to join the World Economic Forum's inaugural [Pioneers of Change Summit](#) taking place on 16-20 November. The Pioneers of Change Summit will convene innovative leaders and entrepreneurs from around the world who are advancing urgent changes to scale up and to adopt across industries and markets with the aim of transforming the current crisis into recovery.

We would like to invite Madame Lagarde to participate as a key speaker in the opening plenary. It will be a 30-minute session, taking place on 16 November from 14.00-14.30 CET, moderated by our President, Borge Brende. It would be wonderful if the President agreed to share her thoughts in 5-7 minutes on the importance of business innovation in the context of the Great Reset. Already confirmed is Mukesh Ambani, Chairman and Managing Director of Reliance Industries and invited is Julie Sweet, CEO of Accenture.

We hope that Madame Lagarde will accept to join us for this session. As always, please do let me know should you have any concerns.
