Dear Council Members,

Thank you very much to the Members who joined the second Council call this Tuesday. It was a very thoughtful discussion and a good preparation as we are getting ready for the Annual Meeting later this month.

I am pleased to share with you a brief summary of what has been discussed, the latest version of the Reflection Paper and an overview of Europe activities at the Annual Meeting 2019. Kindly note that these have also been uploaded to the library on the Council's dedicated page on Toplink, which can be found [here](#).

Thank you for your commitment and continuing engagement.

Kind regards,
