Subject: Consultation on the draft Decision and Implementing Rules on Records Management and Archives

In parallel with the ongoing consultation of the Commission Directorates-General and Services, I wish to consult you on the draft Decision and Implementing Rules on Records Management and Archives.

The documents enclosed will become part of the Commission's document and archives management framework and will replace:

- Decision 2002/47/EC, ECSC, Euratom on document management;
- Decision 2004/563/EC, Euratom on electronic and digitised documents;
- SEC(2009)1643 that contains the Decision-related Implementing Rules.

They reflect the evolution in the document and archives management domain, including its compliance with Regulation 2018/1725.

I would be grateful to receive your comments by 3 March 2020.
