Dear Dominik,

GSK (medical and regulatory) has done a detailed analysis on article 18. We have share it with our trade association, JnJ and Novartis and I am awaiting comments. In any event I am keen to share it with you and will do so shortly. We can then speak if you have questions.  
Thanks and kind regards,  
Sophie.

Dear Sophie,

Many thanks for your mail. I would be very interested in a short analysis of Art. 18 as proposed by the EP by GSK, but at this stage I fear we are so pressed with time that I prefer to avoid additional meetings. On top of a meeting would require agreeing about the minutes so that they could be published on our website.

Kind regards

Dominik

Dear Dominik,

We have met with MEP [REDACTED] after the ENVI vote on the TPD in July at the EP in Brussels. I had a discussion today with your admin [REDACTED] who said she would check with you if a face to face meeting would be possible in the near future to share with you our analysis of article 18 of the TPD and seek your advise on next steps.

I look forward to hearing from you.

Kind regards,

Sophie.
