Dear [REDACTED]  
Thanks a lot for your patience and comprehension, on behalf of my colleagues, Werner checked internally and indeed we can confirm the slot 11:00-12:00 on 29/11. On the COMP side, we will have Linsey McCallum, Deputy Director-General for Antitrust.  
Please let us know if this works on your side, I am at your disposal to follow-up for the logistics part.  
With kind regards,

Thanks a lot Werner. The solution you propose to keep the slot makes sense and I'm grateful the Deputy Head can make it. I've had the chance to briefly discuss with our Board who understand and express their thanks. I have just been asked to relay a request as to the possible inclusion in the meeting of [REDACTED] I promised I would relay the request, and if it's within the realm of possibilities that would be great.  
Taking this opportunity to share with you the definitive list of 14 CEOs/leaders present from our end – see below. Each leader will have a Sherpa with them; + myself and our president. So we're looking at a delegation of 30. I'm expecting that as all meetings of the day (Jourova, Breton) take place in Berlaymont we may probably have one room for all. Happy to discuss the logistics with your colleagues.

Have a great day. Anything on my end I can do please let me know. I've penned down to send you the bullet points on key points that will be raised a week before our meeting on the 29/11.  
Best

Dear

Many thanks for your understanding. As far as I see, the EVP's agenda for the days following the 29<sup>th</sup> of November is extremely tight, so this might be difficult to arrange.

As for a possible meeting at cabinet level, at the time originally foreseen, our deputy head of cabinet, Christiane, would be able to join Penelope and myself...

Kind regards

Werner

Thanks Werner for your note, bad news indeed and thanks for proposing the alternative route which is certainly an option. Would this Cab meeting be with you and Penelope, or do you imagine the Head of Cab being present?

Separately, I do understand though that there is value in a face to face, if not in person by videoconference in the days following. Let me know if that's a possibility and perhaps best then if I can get on the phone with one of your colleagues to look at potential scheduling slots so as to confer with the CEOs taking part.

Thanks for your consideration of the above. It's never easy but sure we'll manage. Have a

great day ahead.

**Subject:** FW: ACT leadership meeting with EVP Vestager – 29 November 2021

Dear [REDACTED]

I am afraid I have bad news concerning our planned meeting. The EVP just learned that she has to travel, unexpectedly, that day, so will not be in town (and also have no chance to join from the distance).

This is obviously very unfortunate, because she had very much been looking forward to this dialogue.

Perhaps this is not what the level of your participants had in mind, but I just want to flag our obvious willingness, at cabinet level, to meet and discuss with you in the absence of the EVP.

With kind regards

Werner

Dear [REDACTED]

Thank you for your note and great to read you. As Gosia is sick today let me reply for us.

We'd be grateful to take the noon slot on 4/10. We will be four on our end [REDACTED] myself, [REDACTED] (leading on DMA) and [REDACTED] (ACT Board Chair). I've put all in CC.

As I know the EC has its own preference re video conferencing systems, may I kindly ask you to send the calendar invitation with link?

Thank you so much for your help and looking forward to speaking to Werner and Penelope.

Have a lovely day ahead and wishing all a nice weekend in perspective.
