Athens, 29/04/2022

Subject: Response to public access to documents request sent via email (ENISA-IN-2022-5104) on 08 April 2022, with regard to ENISA documentation on Chinese technology firms by including Huawei.

Dear Dr Brown,

In your request of 7/4/2022 registered on 08/04/2022, within the framework of the (EC) 1049/2001 Regulation, you are asking access to the following:

1. *"Communications between ENISA officials and EU institutions regarding Chinese firm Huawei. Covering the period 2018 until the present.*
2. *Communications between ENISA officials and EU member States regarding Chinese firm Huawei. Covering the period 2018 until the present.*
3. *Communications between ENISA officials and European firms regarding Chinese firm Huawei. Covering the period 2018 until the present.*
4. *Communications between ENISA officials and Huawei representatives. Covering the period 2018 until the present.*
5. *Policy briefs, position papers, and internal memos pertaining to European policy towards Chinese technology firms including, but not limited to Huawei. Covering the period 2018 until the present. "*

Regarding your request, the European Union Agency for Cybersecurity has identified the relevant documentation, as follows:

1. *Communications between ENISA officials and EU institutions regarding Chinese firm Huawei. Covering the period 2018 until the present.*
 - No related document has been identified.
2. *Communications between ENISA officials and EU member States regarding Chinese firm Huawei. Covering the period 2018 until the present.*
 - No related document has been identified.

3. *Communications between ENISA officials and European firms regarding Chinese firm Huawei. Covering the period 2018 until the present.*
 - No related document has been identified.
4. *Communications between ENISA officials and Huawei representatives. Covering the period 2018 until the present.*

No related document has been identified. The European Union Agency for Cybersecurity representatives had two virtual meetings with Huawei on 12/2/2021 and 02/02/2022 respectively. Additionally, one virtual meeting between ZTE and ENISA's representatives took place on 11/03/2022.
5. *Policy briefs, position papers, and internal memos pertaining to European policy towards Chinese technology firms including, but not limited to Huawei. Covering the period 2018 until the present.*
 - No related document has been identified

In accordance with Article 7(2) of Regulation (EC) No 1049/2001, you are entitled to make a Confirmatory Application that should be lodged within 15 working days of receipt of this reply by return to this email.

We trust the provided documentation satisfies your request.

Yours Sincerely,

The ENISA Public Access to Documents team
