<b>Final vote – Draft as amended (Roll-call vote)</b>					

Split vote requested by the EPP:

**AM 34:**

**1st part:** Sustainability issues, which arguably includes gender-related aspects, should be regulated by the law - and thus divided into legal and illegal activities. Beyond this division, which is regulated by legislative institutions on supranational and national levels, the market may introduce its own rules of conduct.

**2nd part:** Such rules of conduct should, however, not be decided politically but rather be negotiated by companies, consumers' organisations etc.
