Dear Ms Busa, dear all,

I wanted to kindly follow up on the request of my colleague [REDACTED] below. As mentioned, we would appreciate the opportunity of discussing the negotiations of a renewed Privacy Shield with Commissioner Reynders. And would be happy to explore new timeslots that would accommodate Commissioner Reynders' availabilities.

Thank you in advance for considering our request and do not hesitate to reach out with any questions.

All the best,

Dear all, dear Lucrezia

I hope my message finds you well.

We are reaching out to propose a meeting between Commissioner Reynders and [ITI's CEO Jason Oxman](#).

As you recall, ITI is highly engaged in the discussions are the renewed Privacy Shield agreement,

and we'd appreciate the opportunity of addressing this with Commissioner Reynders. We understand the negotiations with the US Government are intensifying, and we would also be happy to discuss how ITI and our industry could help reach a positive conclusion.

Considering the time difference, we'd be happy to already offer the following slots in the next few days, but we can explore others if none of these works (including earlier/later in the day if that's an option):

Monday, February 7 between 15h > 18h

Wednesday, February 9 between 15h > 18h

Thursday, February 10 at 16h

Friday, February 11 between 15h > 18h

Tuesday, February 15 between 15h > 18h

Many thanks in advance for your support, and looking forward to hearing from you.
Best
