Dear Vice President Dombrovskis, Mr. Suardi, [REDACTED] and Ms. Melngaile,

I am [REDACTED] from Ripple, a fintech using blockchain and virtual currency technology to improve global payments. We are working with over 100 financial institutions to enable real-time remittances and corporate payments.

I manage Ripple's relationships with over 30 central banks and regulators. [REDACTED]

Meeting Request: I will be in Brussels on Monday, March 5 and Tuesday, March 6 and would be pleased to meet to discuss:

- How the blockchain and virtual currency are evolving to be enterprise-grade solutions
- Policy insights for addressing consumer and market risk
- Outlook for the technology.

It would be a pleasure to speak with you. Please let me know if you are available on these dates.

Regards,
