Dear [REDACTED]

Many thanks for your reply. 20th January works very well for me. Thank you. If this is convenient I can set up a Teams call. May I ask if my colleague [REDACTED], our public affairs director, could join as well? I would perfectly understand though if Mr Ryan would prefer to implement a one-to-one approach. Please let me know.

With Best Wishes

Subject: Update on health warnings (Europe's Beating Cancer Plan)

Dear John,

With my best wishes for a happy new year, I would like to ask if it would be possible to speak with you on the subject of the Commission's plans to propose a mandatory indication of health warnings on labels. I would like to understand where your Directorate and the Commission stand on the subject and how best The Brewers of Europe can prepare itself and contribute moving forward.

Would you be available for a thirty minute Teams meeting at your best convenience please?

With best regards
