Subject: FOR YOUR REVIEW: Questions for Panellists - PANEL 2

Importance: High

Dear Speakers,

We would like to **thank you for your availability to join the call earlier today and for all the preparatory work done so far.**

We hope that the call brought clarity into the organisation of the discussion and the topics to be covered. The input that you had kindly provided in the bilateral calls held earlier was very precious. The discussion promises to be very exciting!

I'm attaching the **list of questions for the Panel**. The file is in *word format, so it would be easier to edit for all.

From our side, we will work with the valuable suggestions and comments that you have provided during our today's meeting.

In the same time, we would kindly ask you to **edit your questions** and send us back the corrected version of the file, so that all the information that you would like to pass in your presentations could be reflected through those questions.

Could we kindly ask you to send us back the **revised version till Thursday, 23 June, end of day, the latest?** That would still give us the time to clarify some matters bilaterally, before the Forum, if needed.

If you have any other questions, don't hesitate to contact us.

I wish you all a lovely day,

Kind regards,
