Importance: High

Dear Personal data

Many thanks for your e-mail and friendly reminder. We understand the busy schedule of Mr. Commissioner Wojciechowski and thank you for having considered of our request.

I indeed would be very pleased to meet with Ms. Joanna Stawowy at her best convenience. I look forward to receiving suggestions for the date and time of a such a meeting from your side. I will be on a business trip from 29 March to 1 April (incl.) so unfortunately not available during this time frame.

Please note that Personal data will be in Brussels from on 14 and 15 June 2022, which could possibly enable to organization of a meeting in person – should there be more flexibility in the agenda of Mr. Wojciechowski by this time.

Best regards,

Subject: Delivering on the Farm to Fork objectives – Proposal for a meeting with Yara Europe

Dear **Personal data**

On behalf of Commissioner Janusz Wojciechowski, I would like to cordially thank you for your letter and your invitation to a meeting about the further implementation of the Farm to Fork Strategy in the context of nutrient management, soil health and the decarbonization of the food chain.

Unfortunately, the Commissioner will not be able to attend such a meeting due to a busy schedule.

Given that your letter covers very important topics, I suggest you to have a meeting with his Cabinet Member Joanna Stawowy. Please let me know if you accept.

Best regards,

Subject: Delivering on the Farm to Fork objectives â€” Proposal for a meeting with Yara Europe
Importance: High

Dear Commissioner Wojciechowski,

I am contacting you on behalf of Personal data
Personal data Yara Region Europe, and would like to share the attached proposal for a meeting with you.

Although the Farm to Fork Strategy has been launched almost two years ago, the follow-up actions on how to deliver on the ambition are still ongoing. As Yara, we believe we can support the further implementation of the Strategy in the context of nutrient management, soil health and the decarbonization of the food chain. Therefore, Personal data
Personal data would like to discuss with you and your team about the different pathways for European agriculture to improve nutrient use efficiency (also in organic farming) and to upscale precision farming.

We truly hope that it will be possible to organize this meeting at your best convenience and thank you very much in advance for considering our proposal. I will be happy to facilitate the organizational aspects on our side.

Yours sincerely,

Personal data
