Subject: Meeting to discuss legal framework

Dear Dominik,
Dear [REDACTED],

I hope you are both well. As briefly mentioned already, the tobacco and health community would be very grateful if we could organize a meeting with you to discuss/explore the legal framework for Art 18 of the TPD and the implications of the different scenarios.

We are very aware that your agendas must be rapidly filling up but we would be grateful if you could see us (names of persons interested copied to this message) on the following days. Needless to say, the earlier the better ☺:

1. 24th October at 2pm (Susanne would need to leave after one hour due to other engagement but we could continue the discussion with you if needed)
2. Friday the 8th November from 11am onwards
3. Wednesday 20th November from 11am onwards
4. Friday the 22nd November from 11am onwards

We the hope that one of the above date will be possible for you, we all look forward to seeing you soon,

Warmest wishes,

Florence Berteletti Kemp
