Dear [REDACTED]

Although I totally understand that it are very busy times for the EU, is it possible to give an answer on the e-mail I sent you last week?

Dear [REDACTED]

As discussed during the call between commissioner Timmermans and [REDACTED] a videocall would be scheduled between Timmermans, Sinkevicius, Breton, [REDACTED] and a representative of PACE. We should propose an agenda.

What do you think about the following concept:

1. Brief Intro/ establishing common ground before diving into distinct content areas
  - a. Vision and common goals incl Green deal

- b. Reform and rebuilding post C19 need to go hand in hand
  - c. Public private partnerships in “decade of delivery” towards SDGs 2030
- 2. Concrete topics and proposals (to be decided which to prioritize / delete and add):
  - a. Circular economy action plan agenda
  - b. Carbon / climate change agenda
  - c. Enablers: Eco-design (Reach/ ROHS/ SCIP/ Battery directive) and Public Procurement
- 3. Proposed follow up/ way of working going forward:
  - a. Who should be involved/ working teams
  - b. What are the priorities to be addressed
  - c. When: expectations re timeline

I am looking forward to your comments.

Regards,
