Subject: RE: Concept agenda for video call Commission - Philips

Dear [REDACTED]

Although I totally understand that it are very busy times for the EU, is it possible to give an answer on the e-mail I sent you last week?

Regards,

[REDACTED]

Subject: Concept agenda for video call Commission - Philips

Dear [REDACTED]

As discussed during the call between commissioner Timmermans and [REDACTED] a videocall would be scheduled between Timmermans, Sinkevicius, Breton, [REDACTED] and a representative of PACE. We should propose an agenda.

What do you think about the following concept:

1. Brief Intro/ establishing common ground before diving into distinct content areas
 - a. Vision and common goals incl Green deal
 - b. Reform and rebuilding post C19 need to go hand in hand
 - c. Public private partnerships in “decade of delivery” towards SDGs 2030
2. Concrete topics and proposals (to be decided which to prioritize / delete and add):
 - a. Circular economy action plan agenda
 - b. Carbon / climate change agenda
 - c. Enablers: Eco-design (Reach/ ROHS/ SCIP/ Battery directive) and Public Procurement
3. Proposed follow up/ way of working going forward:
 - a. Who should be involved/ working teams
 - b. What are the priorities to be addressed
 - c. When: expectations re timeline

I am looking forward to your comments.

Regards,

[REDACTED]
