Dear Michael,  
Great, many thanks for your quick reply - looking forward!  
Would you and your VP also be available on 2 December afternoon for a short Cefic call with [REDACTED] (in his Cefic [REDACTED] role) and [REDACTED]? [REDACTED] has a full day scheduled for Cefic activities and I thought this may be a good moment to touch base and connect him to your VP. What do you think?  
All best,  
[REDACTED]
