Dear [REDACTED],

Thank you for your e-mail and proposed dates. We could accept the date on 25 October 2022 (Tuesday) from 12:30 to 14:30 and pencil it in our agenda.

Regrettably, at that very moment, we cannot confirm whether the participation of Mr Colombani would be in Paris or online. Let us explore the possibilities closer to the date and we will come back to you.

Please kindly feel free to send us any updated information and agenda in relation to the participation of Mr Colombani.

Thank you kindly in advance.

With best regards,

[REDACTED]

Cher Monsieur Colombani,

Un grand merci pour votre réponse positive et votre intérêt pour échanger avec nos membres !

J'attends donc quelques propositions de dates pour identifier un créneau commun qui conviendra à tous. L'idéal serait de convenir d'une date rapidement afin de la sanctuariser dans agendas.

Pourrions-nous considérer que le déjeuner aura lieu à Paris ?

Bien à vous,

[REDACTED]

Dear M. Colombani,

Following the advice from Diederik Samsom, and on behalf of the Cercle des Réseaux Européens, which brings together major French companies and infrastructures in the fields of energy, transport, water, telecommunications and postal services, I would like to invite you to take part in one of our next lunch, in October or December 2022, at a date at your best convenience.

The Cercle des Réseaux Européens, is a place of exchange between European policy makers on the one hand and the Directors of European and International Affairs on the other.

During our last exchanges, we had the honour of welcoming various personalities such as Philippe L  glise-Costa, French Ambassador to the EU; Michael Hager, Head of Cabinet of Valdis Dombrovskis; Stefano Grassi, Head of Cabinet of Kadri Simson; Eva Kaili, Vice-President of the European Parliament; Kerstin Jorna, Director General of DG GROW; or Olivier Guersent, Director General of DG COMP.

Members of the Cercle des R  seaux would be highly interested in discussing with you about a first review of the impressive work of the European Commission on climate action since the beginning of Ursula von der Leyen's Presidency. An assessment of the current state of play of the Green Deal, its implementation, but also every coming initiatives would represent an important added value for our members.

You will find information on our previous events, as well as a detailed list of our members on our website (<http://www.cercle-reseaux.eu/activites.php>).

Usually, our lunches take place in Paris, from 12:30 to 14:00. We can, of course, find other solutions if such a travel is not convenient for your agenda.

Hoping that you will give a positive answer to this invitation, I remain at your disposal for any further information.

Respectfully,

Dear [redacted]

On behalf of Mr Samsom, I thank you for your invitation,
Unfortunately, he will not be able to give you a positive reply due to a very constraint agenda by the end the year but you may wish to contact Mr Antoine Colombani, Member of Cabinet, to check his availability.

Kind regards,
