

**Roundtable between the Energy Commissioner &
The Coalition for Energy Savings**

Meeting 1st March 2021, 15h-16h30

1. Draft Agenda

15h, Welcome and introduction, Thor-Sten Vertmann, Member of the Energy Commissioner's Cabinet.

15h05- 15h10, Keynote address, Energy Commissioner Kadri Simson.

15h10-15h25, Presentation of the Coalition (including very short *tour de table* of Coalition's members) and the importance of energy efficiency in the "Fit for 55 Package".

Coalition for Energy Savings
Coalition's Steering Committee.

15h25-16h20, Short interventions of Coalition's members

- **2030 EU binding energy efficiency target**
(EU-ASE – European Alliance to Save Energy. 40% and binding national. EE1st in EED.)
- **A reinforced Article 7 to deliver more energy savings**
(RAP – Regulatory Assistance Project. Increase, more reliable, complement with carbon pricing and renovation, green the individual measures.)
- **Heating & Cooling**
(EPEE – European Partnership for Energy and the Environment. Electrification, packs with solar PV and batteries plus heatpump, BACS and SRI, boiler scrapping schemes, skills gap for installing.)
- **Cities, citizens and renovations of public buildings**
(Energy Cities – The European association of cities in energy transition. District level, one-stop-shops, finances, skills, communities.)
(EuroACE – European Alliance of Companies for Energy Efficiency in Buildings. All buildings, deep renovation, remove alternative approach, links to EPBD and LTRS, financing.)
- **Energy Efficiency First principle**
(ECI – European Copper Institute. EE in industry, waste heat to DH, BACS, digitalization.)
(EEB – European Environmental Bureau. 40%, no gas boiler, no hydrogen.)
- **Transport**
(T&E – Transport & Environment. Electromobility, charging point, phase out fossils.)

16h20-16h30, Concluding remarks, Energy Commissioner Kadri Simson.

2. Format

- A Webex roundtable moderated by Thor-Sten Vertmann, Member of the Energy Cabinet.
- Participation restricted to Coalition's members; a limited number of Coalition's speakers (5 minutes intervention maximum to allow for interaction and questions).
- Slides as a complement to interventions.
- The Webex chat can be used to make additional comments and questions (no guarantee that questions will be answered on the spot)

3. List of speakers and participants
