SANCO/E3/ [redacted]

Dear [redacted]

**Subject: Renewal of Annex I listing for Glyphosate.**

I refer to your letter of 16 December 2008 on Glyphosate and I herewith confirm receipt of your request for renewal of Annex I inclusion of this substance.

We are discussing internally in the Commission and with Member States the details on how to proceed with your request. In particular these discussions concern the new information that should be submitted, the format of such submission and details on the assessment to be done at EU level.

I can reassure you that at this stage we do not expect from Glyphosate Task Force (Monsanto, Syngenta and Cheminova) any further information. The Commission will in due course take the necessary steps to organise the review of Glyphosate.

Yours sincerely,
