### Meeting with Airbnb – 25 April 2022

#### Participants:

- [REDACTED] Airbnb
- [REDACTED] Airbnb
- [REDACTED] DG GROW
- [REDACTED] DG GROW

#### Discussion points:

- [REDACTED] introduced himself as a new member of the public relations team of Airbnb – before in charge of Eastern EU countries coordination
- The objective of the meeting was to clarify the objectives of the targeted survey to platforms, to help Airbnb provide DG GROW with more detailed information.
- Airbnb committed to submit the responses to the survey as soon as possible, highlighting however that the responses require internal approval and the involvement of several departments. They will submit a first batch of responses by the deadline, and may complement it later in May.
- Airbnb highlighted that some elements that they have submitted in the past are still relevant. DG GROW confirmed that they can reuse any data that is still valid.
- In terms of timing, DG GROW confirmed that the initiative should be ready after the summer but it might be possible to share more concrete information on the content before the summer (late July).
- Airbnb will meet on Wednesday with DG GROW enforcement unit, [REDACTED]
- Update on CJEU tax cases:
  - against Belgian for tourist tax, enforceability against platforms of data sharing schemes for the purpose of collecting tourist tax, e-commerce Directive, tax carve-out, to be published on Wednesday

- against Italy, questioning the platform role as withholding agent for tax and the obligation to appoint a representative, first hearing on Wednesday
