CCI: 2021CY65BVPR001**

Your Excellency,

A complete¹ version of the Cypriot BMVI programme was formally submitted via SFC2021 on 15 March 2022. In accordance with Article 23(1) and (2) Common Provisions Regulation², the Commission has assessed the programme and made some observations. These observations are set out in the annex.

As concerns the Horizontal Enabling Condition 3 on the *Effective application and implementation of the EU Charter of Fundamental Rights*, the Cypriot authorities will receive soon the Commission's comments by a separate letter.

We would like to ask your authorities to consider these observations and revise the programme accordingly, as well as to provide additional information wherever requested. Please bear in mind that, in accordance with Article 3 Common Provisions Regulation, where a time limit is set for an action by the Commission, that time limit is suspended from the day following the date on which the Commission sends its observations or a request for revised documents to the Member State and until the Member State responds to it.

My services are available to provide any further clarifications you may need and to meet with your authorities to discuss the observations in further detail, should you deem it suitable. Please do not hesitate to get in contact with Ms [REDACTED], Head of Unit HOME/E2: South and Central Europe (I).

Yours faithfully,

Monique PARIAT
Director-General
