Your Excellency,

Following the Commission's observation letter on the Cypriot ISF programme 2021-2027, sent on 22 June 2022 (Ares(2022)4589869), the Commission has finalised its assessment on the Horizontal Enabling Condition 3 on the *Effective application and implementation of the EU Charter of Fundamental Rights* and made some complementary observations. These observations are set out in the annex.

We would like to ask your authorities to also consider these additional observations and revise the programme accordingly, as well as to provide additional information wherever requested.

My services are available to provide you with any further clarifications you may need and to meet with your authorities to discuss the observations in further detail, should you deem it suitable. Please do not hesitate to get in contact with [REDACTED] Head of DG HOME Unit E.2 South and Central Europe (I).

Yours faithfully,
