Dear Commissioner Simson,

On behalf of the American Chamber of Commerce to the European Union (AmCham EU), we would like to congratulate you on your confirmation as Commissioner for Energy. Together with all the other Members of the Commission, you have a unique role in shaping policies that will make a real difference in the lives of European citizens.

In attachment, please find a congratulatory letter together with our vision document, the Agenda for Action, that identifies four key action areas that we believe should drive the political agenda over the next five years. A hard copy of these documents has also been sent to your office and should arrive soon.

We look forward to engaging constructively with your team and the College over the coming years. As you will see in the letter, we would like to request a meeting with you and our Executive Council, which brings together twenty European CEOs of US companies with operational responsibilities for European or Global markets, on either Monday 27 April 2020 or Tuesday 28 April 2020. We would be happy to further discuss and provide more details on this meeting with you or your team in the coming weeks.

Looking forward to hearing from you, I wish you a happy and relaxing holiday season.

Best Regards,

Susan Danger
