

MEETING CONCLUSIONS

Title	Meeting with AmChamEU
Date	31/01/2020
Participants	Ext: S [REDACTED] Stefano G [REDACTED]
ARES initial request	Ares(2019)7919460
Disclosure authorisation :	<input checked="" type="checkbox"/> YES - <input type="checkbox"/> NO - <input type="checkbox"/> Partial (pls highlight unauthorised parts)
	<p>[REDACTED] introduced the work of AmChamEU representing US companies in the EU and aiming to support trade, investment and competitiveness policies impacting on transatlantic business relations. [REDACTED] outlined AmChamEU’s proposed priorities for the 2019-2024 Commission in the areas of education and skills, the single market, trade and investment, sustainable development, research and innovation, and procurement. In the field of energy their priorities are for an integrated and well-functioning EU energy market and promoting investment in digitalisation. [REDACTED] underlined the importance for AmChamEU members of regulatory stability and predictability.</p> <p>Mr Grassi thanked [REDACTED] for [REDACTED] presentation and the “Agenda for Action” provided by AmChamEU. [REDACTED] indicated that [REDACTED] invitation for Commissioner Simson to meet with AmChamEU’s Executive Council was under consideration and the Cabinet would be in touch to follow up on this in due course.</p>
