Issues raised & follow-up	<ul style="list-style-type: none">• COPA-COGECA inquired about the state of play of the reform of the legal framework for the promotion of agricultural products. COPA-COGECA argued that the current system works well as as all products get an equal chance to access promotion funding.• COM informed that that the reform is in making and the proposal should be published in a few months. It is key to build up competitiveness of European food chain based on sustainability and health. The current system provides funding to a handful of beneficiaries and is concentrated to a small number of MS.
