Issues raised & follow-up	<p><i>Transition to sustainable food systems</i></p> <ul style="list-style-type: none">• [REDACTED] informed EVP about the recent positions, statements and activities of COPA-COGECA in relation to food security as well as to Green Deal initiatives. [REDACTED] also informed about forestry issues.• EVP reiterated his openness and readiness to discuss with farmers, however, there should be no tolerance for personal attacks (in reference to recent statements of [REDACTED]).• EVP and [REDACTED] agreed that there is a need to better explain to COPA-COGECA members and to farmers the urgency and the details of the transition to sustainable food systems. In terms of closer cooperation, EVP suggested focusing on opportunities for farmers which are i.a. brought by RePowerEu (biomethane). Finally, EVP pointed out that current needs always need to be framed within the long term Strategy. [REDACTED] and EVP's team will work further on these three points.
