Hello [REDACTED],
when would be a good time for Lukas to meet?
Would be great if you could share one or two time slots that would fit his agenda.
Many thanks

Dear [REDACTED],

Thank you for your understanding. There is a lot going on at the moment but perhaps we could see each other for a coffee in the second half of March?

All the best,

Lukas

Thanks Lukas, I know it was a short notice request.
Maybe we will find the time for a coffee in the coming weeks. Let me know if that would work for you.
Have a good weekend too

Dear [REDACTED],

Thank you for your message and I hope you are keeping well (so am I).

I am afraid 13 February will not work for me, it is a full day. Thank you for your understanding!

All the best (and have a great weekend),

Lukas

Dear Lukas,

I hope this message finds you well. I wanted to follow-up on our conversation with [REDACTED] last year.

2023 will be an important year in moving important regulatory projects forward.

My colleague [REDACTED], who is responsible for global strategy and sustainability for our crops science business, is coming to Brussels soon.

I therefore wanted to check, whether you would be **available for a short meeting on 13. February in the afternoon.**

I realize that this request comes at short notice but thought I give it a try as we could continue our dialogue on topics like SUR, carbon farming and the NGT proposal.

Would be great if it works out.

Best regards
