Issues raised & follow-up	<ul style="list-style-type: none">• The meeting discussed in detail Dow's idea to possibly establish a voluntary carbon market in the US for industry with Dow seeking feedback on such an initiative considering the Commission's expertise on the EU ETS. In this regard, as the European Union is preparing to set up a CBAM, in particular possible links with such a voluntary (in terms of initial participation in the scheme) carbon market in the US and whether this could lead to an exemption from CBAM. The Cabinet in particular asked about the additionality of such a voluntary scheme and explained the current legal framework of the CBAM.
