Dear [REDACTED]

I trust you are well. I managed to identify a slot on the 27th of June from 16.30 to 17.30.

Thanks for letting us know if that is ok for your side.

Are you planning for a physical meeting or a teleconference?

Please be also aware that we are planning to publish the meeting on the Transparency register of the European Commission. Thanks for letting us know if it is ok for you.

Best

Hi Michele

Thanks again for the helpful call (and sorry for the weekend email no need to reply before next week of course). [REDACTED] (Apple's [REDACTED] will finally not meet the Head of Cabient of CNECT this time around so probably no need for a meeting with Stina for now. However [REDACTED] would very much like to take up your kind offer and meet you and Liliane. As discussed we would expect no feedback from you, just an informal update from [REDACTED] on the key issues which Apple sees in relation to designation and compliance. Probably nothing you would not also hear / have heard from the case team but nice to establish contact as a basis for future exchanges. In case you are still available for such an exchange, would you and Liliane have an hour on 27 June? Participants would be [REDACTED] (whom you might remember from [REDACTED] [REDACTED]) and I.

Thanks and have a good weekend

Subject: Apple DMA

Hi Michele

I hope all is well and you are enjoying Italy-style sunshine in Brussels! Apple folks are in town in w/c 19/6 and 26/6 and we were wondering whether now would be a good moment to touch base with you & cabinet team on DMA? Nothing specific to raise, just general status update and getting ready for potentially more substantive discussions from September onwards. Conscious that you may already be booked out for the rest of June but I thought worth checking. Would you have 5 minutes later today or tomorrow to discuss?

Many thanks
