**Subject: Request for access to documents relating to regulatory co-operation
in TTIP - Gestdem(2015)1079**

Dear Ms. Verheecke,

Thank for your request dated 20/02/2015 for access to documents relating to regulatory co-operation in TTIP, all correspondence (including emails), the list of meetings with detailed minutes and any other reports of such meetings between DG ENV's officials (including the Commissioner and his Cabinet members) and representatives of a number of organisations listed in your request between December 2013 and December 2014.

I inform you that we have identified only one meeting falling under the scope of your request:

- 05/12/2013 – Meeting with European Chemical Industry Council (CEFIC).

As you have submitted the same request for access to document to DG TRADE, we leave it to DG TRADE that was represented at that meeting to provide you with the requested documents.

Yours sincerely,

Hans Stielstra
Acting Head of Unit
