Dear Members and alternate Members of the FRA Management Board,

I would like to inform you that I have been offered the post as Director of the Raoul Wallenberg Institute of Human Rights and Humanitarian Law in Lund, Sweden and I have accepted this offer. However, I will only commence the directorship in the beginning of 2015 in order to finalize work at FRA in a proper manner.

With a time-limited contract these are the days that you know will come, but they are difficult to plan since when and what is the right possibility. However, with the request from RWI I had very little doubt that this would be a good continuation of my work-life beyond FRA.

I am very confident to leave an institution that is highly respected in the fundamental rights world and that is standing on a strong platform.

I look forward to discuss the details with you at the up-coming Management Board meeting. Finally, I would also thank you for all your support throughout the years.

Best regards,

Morten
