1. Fact of the case

Find information about ongoing incidents, with 1159 migrants:

1. One boat with approximately 110 migrants (107 men and 3 females) detected. In Mare Nostrum sector 3, ITA/Navy/Scirocco has transshipped 110 migrants from a boat which has probably departed from LBY.
2. ITA/Navy/Scirocco detected another boat with migrants about 5 NM from where it transshipped 110 migrants (the incident mentioned above) and has rescued another 95 migrants.
3. ITA/Navy/OPV Orione has rescued 333 migrants from a boat.
4. ITA/Navy/San Giorgio has rescued migrants from three different boats in distress; 125 + 190 + 193 migrants.
5. ITA/Navy/OPV Sfinge has rescued 113 migrants from a boat in distress.

So far a total of 1159 migrants are rescued on Thursday 05.06.2014.

There are information, however not yet confirmed, that migrants from another five (5) boats have been rescued. No information about number of migrants and whereabouts.

And there are unconfirmed information about thirteen (13) boats with migrants en route towards Italy, but still to be located.

Update 06.06.2014 11:15

1. At the moment ITA/Navy/Scirocco has 611 migrants onboard, rescued from a total of five (5) separate incidents.
