**Subject: Your letter to the members of the Management Board of the EU
Fundamental Rights Agency of 28 March**

Dear [REDACTED],

We have received the letter you have sent to the members of the Management Board of the EU Fundamental Rights Agency (FRA) on 28 March.

In your letter you complain about the decisions taken by the Director of FRA [REDACTED]
[REDACTED]

The Director is the Appointing Authority for all staff matters pursuant to article 15 par. 4 c) of the Council Regulation (2007/168) establishing the FRA, in particular for concluding contracts. The Commission has no competence to review the legality of individual acts taken by an autonomous entity like in the present case.

We take note that you have made use of the appeal procedures against the decisions of the Appointing Authority, in accordance with Article 90 of the Staff Regulations (723/2004). I remind you that if, at the end of this procedure, no reply or a negative reply is received, this decision can be appealed against under article 91 to the Civil Service Tribunal.

You have also expressed concerns in your letter on alleged financial irregularities in the Agency which we have handled in accordance with article 22a of the Staff Regulations.
