Subject: Your correspondence of 9 and 12 April 2012

Dear [REDACTED],

Further to the letter sent on 7 May 2012 by Martin Selmayr, Head of Cabinet of Vice President Viviane Reding, we would like to inform you that the European Anti-Fraud Office (OLAF) is currently reviewing the allegations of irregularities which you have submitted to them. We have also informed OLAF of all allegations you have made in the correspondence you have sent to us directly. Upon completion of this examination by OLAF, we will assess with the Management Board of the Agency the outcome of the OLAF investigations, and draw the necessary consequence, as appropriate.

Paul NEMITZ
