Subject: Minutes of the IASG Meeting 4 February 2013 on animal cloning for food production.

Impact Assessment Steering Group meeting on animal cloning 4 February 2013

Present: [REDACTED] and [REDACTED] (AGRI), [REDACTED] (SG) [REDACTED] (SJ) [REDACTED] and [REDACTED] (JUST) [REDACTED] (ENTR) [REDACTED] (RTD) [REDACTED] (TRADE) [REDACTED] (JRC), [REDACTED] (EFSA) and [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED] and [REDACTED] (SANCO).

The group was informed that the next IASG meeting will take place on 18 February (last meeting before transmission to the IAB on 13 March 2013). By then bilateral contacts with all DGs concerned would take place. The document for discussion was the draft Impact Assessment report first 4 chapters.

Main comments from DGs:

JUST: text fine (Positive reference to Fundamental Rights).

EFSA: drafting suggestions only ; text fine for EFSA.

JRC: Positive comment on the clarity of the draft. JRC only comment (sent by mail) refers to description of the content the JRC study.

Thanks to all for the good work and cooperation.
