Subject: ECPA: Request for meeting

Dear Mrs Chaze

Given the numerous legal and technical issues in the pesticide regulatory framework, we would request a meeting with you to discuss a number of those issues (inc. AS classification, review programme decision making).

Having spoken to our office, we would suggest two possible meeting dates for your consideration:

- Monday 16th November @ 1600 hours
- Thursday 19th November @ 1600 hours

The ECPA participants at a meeting will be:

- [REDACTED], [REDACTED]
- [REDACTED], [REDACTED]

We do hope that one of those dates will be possible. We would of course be happy to provide a more detailed agenda in due course

Thank you for your consideration of this request.

Regards
