Dear Gundi,

We will take care of that. Please also inform her that we expect about 50 people to attend her presentation:

- Staff from the Communications Division – responsible for internal and external communications
- Staff from the General Secretariat Division – responsible for Freedom Of Information and executive support
- Directors of the Bank and Board members.

If you want to send it to us in advance we can put it on the system etc.

The presentation is for internal use only

Dear Gundi, Aidan

At this time, we have no media planned for the Ombudsman's visit. If she wishes, we are happy to provide a Linked In picture with a line such as: European Ombudsman visited the Central Bank of Ireland today to discuss the importance of transparency for European public institutions.

If there is anything else I can do for the visit please advise,

Jill

Dear Ms.Forde,

Thank you for your message, and sorry for the late reply.

The Ombudsman would be delighted to speak to your senior officials on issues of mutual interest.

For your communications team, maybe a video conference with our colleagues here in Brussels would be suitable for a more technical discussion?

I copy my colleague(s) to organise dates/times.

Thanks a lot.

Subject: Visit Ombudsman - Communication and Transparency - Central Bank of Ireland

Dear Gundi,

As discussed, it would be of great interest to us if the European Ombudsman would visit the Central Bank of Ireland to talk to our communication team about the importance of transparency and communication as we expand our transparency measures (publication of minutes, diary and expenses, salary and policies publication) and to meet our senior officials who are also members of the Governing Council and Supervisory Board of the ECB.

Please let me know how we can take this forward,

Best wishes,

Jill
