Dear Caroline,

We propose the following outline agenda:

- Private meeting with Deputy Governor Donnery
- 30 minute presentation to senior directors and senior team in communications and secretariat on the European Ombudsman and Transparency agenda for public institutions
- Lunch with Governor Lane, Deputy Governor Donnery, Deputy Governor Roux TBC and myself.

Let me know if this works – if you agree we could then exchange contacts for logistics etc

Thanks
Jill

Dear Ms Forde,

Following up on your email exchange with Mr O'Sullivan's, the Ombudsman will be in Dublin on March 21 for a presentation, however her schedule is quite tight that day and she recommends meeting the senior officials at a later date. She will be in Dublin again on Friday, May 20. Would that day be suitable?

Kind regards,

European Ombudsman

Dear Ms.Forde,

Thank you for your message, and sorry for the late reply.

The Ombudsman would be delighted to speak to your senior officials on issues of mutual interest.

For your communications team, maybe a video conference with our colleagues here in Brussels would be suitable for a more technical discussion?

I copy my colleague(s) to organise dates/times.

Thanks a lot.

Dear Gundi,

As discussed, it would be of great interest to us if the European Ombudsman would visit the Central Bank of Ireland to talk to our communication team about the importance of transparency and communication as we expand our transparency measures (publication of minutes, diary and expenses, salary and policies publication) and to meet our senior officials who are also members of the Governing Council and Supervisory Board of the ECB.

Please let me know how we can take this forward,

Best wishes,

Jill
