Subject: Your application for access to documents – Ref/GestDem No 2016/4259

Dear Ms Cann,

I refer to your e-mail dated 28 July 2016 and registered on 29 July 2016, by which you make a request for access to documents under the above mentioned reference number.

Your application concerns *"all documents which relate to any applications made under the Staff Regulations (article 16 or article 40) for authorisation for post-employment activities by Robert Madelin"*. In particular, you request *"a note of all Mr Madelin's job titles at the Commission including dates held; copies of any application(s) that he has made under the Staff Regulations to undertake a new professional activity; and all documents (correspondence, emails, meeting notes etc) related to the authorisation of the new role or roles"*.

I have examined your request under the provisions of Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents.

The documents identified are the following:

- three application forms submitted by Mr Madelin on 21 March 2016 in the framework of Article 16 of the Staff Regulations and the related decisions from the Appointing Authority;
- a supplementary document related to one of those decisions, after issuance;
- a fourth application form submitted on 29 July 2016 in the framework of Article 16 of the Staff Regulations, in relation to which the adoption of a decision by the Appointing Authority is currently ongoing;

- e-mail exchanges which took place between 21 March 2016 and 29 July 2016 within Commission services or between Commission services and Mr Madelin pertaining to the underlying internal procedures concerning these four requests for authorisation.

The documents you requested contain personal data relating to the past, present and future occupational activities of Mr Madelin. It is the Commission's obligation to ensure that the privacy and the integrity of the EU staff member concerned, also in his professional capacity, are correctly protected. This is why I consider that the exception foreseen in Article 4(1)(b) of Regulation No 1049/2001 applies.

As for the e-mail exchanges between the Commission services and Mr Madelin, Article 4(3) of Regulation (EC) No 1049/2001 applies. In addition, in the absence of an overriding public interest, the exception to the right of access cannot be waived.

While I have also considered the possibility of granting partial access on the basis of Article 4(6) of Regulation (EC) N° 1049/2001, I have concluded that this would equally undermine the protection of personal data.

Against this background, I can nevertheless provide you with the following general information on the process to which your request relates.

Mr Madelin submitted three declarations of intention to engage in an occupational activity after leaving the Commission (Article 16 of the Staff Regulations), dated 21 March 2016 and registered on the same day:

- the first request relates to a non-remunerated occupational activities as an honorary fellow at the Royal College of Physicians;
- the second request relates to a non-remunerated occupational activities as a visiting fellow at Oxford University Department of Politics and International Relations;
- the third request relates to a remunerated occupational activity as the Director of his future own company.

Following the general rules concerning the consultation process for this type of requests, the Appointing Authority gave its approval on 14 June 2016 to carry out these three activities subject to certain conditions, as follows:

a) concerning the first and second activities:

- for a period of one year after leaving the service Mr Madelin is to refrain from being involved in any issue or discussion relating to call for proposals falling under the scope of DG CNECT Research and Innovations Horizon 2020 Work Programmes 2016 and 2017 and from participating in any project funded by the EU Research and Innovation Horizon 2020 programme;

- when participating in public debates in the framework of these activities Mr Madelin has been requested to make clear he is speaking in his personal capacity, not representing the position or interests of the European Commission.

b) concerning the third activity:

- during the first two years after leaving the service, Mr Madelin is not to give advice to clients on specific files which were under the responsibility of his former service during the last three years of service;
- during the first two years after leaving the service, Mr Madelin was requested to refrain from having professional contacts with the services of DG CNECT, and the European Political Strategy Centre;
- for a period of 18 months after leaving the service, Mr Madelin has been requested to refrain from being involved in any issue or discussion relating to call for proposals falling under the scope of DG CNECT Research and Innovation Horizon 2020 Work programmes 2016 and 2017, and from participating in any project funded by the EU Research and Innovation Horizon 2020 programme.

For all three activities mentioned above and as regards the first year after leaving the service, Mr Madelin has also been reminded of the obligation under Article 16 (3) of the Staff Regulations.

Mr Madelin was also reminded of the staff obligations as laid down in Title II and notably in Articles 16, 17 and 19 of the Staff Regulations.

Furthermore I can provide you with some information on the last posts held by Mr Madelin covering the period which was assessed as regards any potential conflict of interest:

- From 01/09/2015 to 30/09/2016: EPSC, Senior Adviser – Innovation.
- From 01/04/2010 to 31/08/2015: DG CNECT, Director-General – ICT and Internet in Society, Science and Industry.
