Dear Ms Cosco,

Thank you for your e-mail of 17 June, kindly inviting President Barroso to deliver a keynote address at the Goldman Sachs Europe, Middle East and Africa (EMEA) CEO Summit 2014 on 18 or 19 November in London.

The term of office of the current European Commission is due to end on 31 October 2014.

Could I suggest that you contact us again in September so that we can inform you about the appropriate Commission representation at this summit.

Yours sincerely,
