Subject: Net Neutrality in Malta

Dear [redacted],

I hope you are doing well. As a follow-up of our mission and the questionnaire, I would have additional questions concerning Net Neutrality (section 11 in your questionnaire, pages 51-52), namely:

1. When precisely did Malta notify the EC about the measures described on pages 51-52? Could you please forward also to me that notification letter, if any?

[redacted]

2. Moreover, is the NRA already confronted with concrete breaches of the Regulation 2015/2120/EU?

[redacted]

3. What are the maximum (amounts of) penalties and sanctions? (under Part VI of the Malta Communications Authority Act (Cap. 418 of the Laws of Malta, introduced following the enactment of Act XVIII of 2016? When did it enter into force exactly?)

This is relevant for our European Digital Progress Report (EDPR), which you will be consulted on soon.

I would be grateful for this additional information at your earliest convenience.

Thank you,
