**RE: CropLife America and the European Crop Protection Association,  
Joint Proposal for the Transatlantic Trade and Investment Partnership (TTIP)**

Dear [REDACTED]

The European Crop Protection Association (ECPA) and CropLife America (CLA) are pleased to propose the following areas of collaboration within the TTIP for the EU and US crop protection industry:

**A harmonised risk assessment framework for the pesticide regulatory process is necessary to ensure the highest level of consumer protection, while promoting international trade, creating jobs, and enhancing social and economic viability of the EU and the US.**

With this letter, we transmit our joint proposal for areas of collaboration and a summary sheet. For further information, please contact [REDACTED], ECPA ([@ecpa.eu](mailto:ecpa@ecpa.eu)) or [REDACTED], CLA ([@croplifeamerica.org](mailto:croplife@croplifeamerica.org)).

Sincerely,
