Dear Mr Harmsen,

I refer to your request dated 22 December 2016 sent to the Secretariat General of the European Commission (GestDem 2016/7259), which was split and assigned to several Directorates-General on 11 January 2017. The part assigned to the Directorate General for Climate Action was registered under the above mentioned reference number.

I regret to inform you that no documents were found that would correspond to the description given in your application.

As specified in Article 2(3) of Regulation 1049/2001, the right of access as defined in that regulation applies only to existing documents in the possession of the institution.

Given that no such documents have been identified, the Commission is not in a position to handle your request.

In accordance with Article 7(2) of Regulation 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:
