European Commission  
Rue de la Loi / Wetstraat 200

Dear Martin,

As the Obama Administration comes to an end, one of the most gratifying parts of my experience here – both at the White House and as the U.S. Trade Representative – has been the opportunity to work with you and your colleagues on strengthening U.S.-EU relations and other shared goals.

I appreciate your engagement during the T-TIP negotiations and believe we made important progress toward a high standard agreement. I am proud of what we were able to accomplish together and of the foundation we have laid for the future.

I wish you all the best in the future and look forward to staying in touch.

Sincerely,
