Your Excellency, *Dear M.K.*,

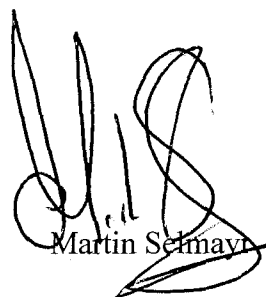

Thank you for your letter of 11 January 2017 and for our cooperation during your time at the White House and as United States Trade Representative.

I would like to express my gratitude for your commitment to transatlantic relations and for your role in the negotiations for a Transatlantic Trade and Investment Partnership Agreement (TTIP). You have been an advocate for TTIP and I enjoyed our exchanges. Although differences of opinion prevented a more rapid progress towards conclusion, I share your view that in a changing world, agreements like TTIP can make the difference and help us stay ahead. Transatlantic cooperation is the right way to make a difference in the global economy.

I wish you all the best for your future endeavours and look forward to staying in touch.

Yours faithfully,

*We will keep fighting for
good, balanced trade agreements
and our open, rule-based
global system.*
